RE: November 2010 Monthly Report

During the month of November, the West Lafayette Police Department responded to 1,854 calls for service, a decrease of 400 calls from October, and an increase of 309 calls for service from November 2009.

WLPD participated in Blitz 65 of the Governor's Council on Impaired and Dangerous Drivers. Officers participated in extra patrol from November 12th thru November 28th, and made 24 arrests of suspected impaired and intoxicated drivers during this blitz.

WLPD is now a fingerprint location for the E-Firearms Online Gun Permit process. Citizens can now go online and schedule a fingerprint appointment at the PD to complete the Firearms Handgun Application process.

Members of the department also participated in several other community events during the month that included hosting a RADkids course for 18 children under the age of 7, speaking to the Girl Scout Troop at Cumberland School, a K-9 demonstration at Westminster Village, and the Drug Take Back program held at the department.

Respectfully submitted,
